

MONTANA TAEKWONDO ASSOCIATION

Club Membership Application

Annual Membership for Only

\$50.00

Full Membership:

“Full” membership **REQUIRES USA-Taekwondo (USAT) Club membership** and provides your school with full voting privileges and access to any State Association meeting or event (tournaments, camps, clinics, and certification opportunities) offered year-round by the MTA and other member schools. For Full membership, you must include a photocopy of your USAT Club membership with this application.

Associate Membership:

“Associate” membership **DOES NOT require USAT membership**, and is for clubs that want to be a part of the Montana Taekwondo Community, but don't care to be a part of the national organization. Associate clubs have limited voting privileges, but may still participate at any State Association meeting or event offered by the MTA and other member schools just like full members. Associate membership automatically upgrades to full membership if or when your club joins the USAT.
